

Wetland Identification & Delineation Workshop

Registration Form

When: June 23-25
Where: MDNRE Ralph A. MacMullen Center in Roscommon, Michigan
Cost: \$900 - includes all meals, lodging, and class materials

*Class size will be limited to no more than 20 people to keep a good instructor to participant ratio.

This two-day class is a condensed version of a five-day wetland identification and delineation training class developed and conducted for several years for MDEQ/MDNR and MDOT wetland staff. This class includes training on the USACE Midwest Regional Supplement (November 2008) and amendments to Part 303, Wetland Protection, or NREPA (November 2009). Most of the training will be in the field at numerous wetland sites; evening sessions will focus on understanding Part 303 and the hydrophytic vegetation, hydric soils, and hydrologic indicators identified in the field .
