

Chainsaw Safety Workshop

Presented by Chuck Osland
Certified MIOSHA Safety Instructor

Michigan Forest Association and MSU Extension are hosting a one-day Chainsaw Safety Workshop featuring Chuck Osland, who teaches why each saw operator must have a safety system, including:

- elements of a good safety system
- mental aspects of safety
- safer chainsaw handling techniques
- state-of-the-art safest way to fall a large diameter tree

When: Friday, June 1, 2018
9:00am – 3:30pm
