

The 2019 Michigan Fish and Wildlife Conference

A joint meeting of the Michigan Chapters of The Wildlife Society and The American Fisheries Society

March 13-15, 2019 Gaylord, MI

Call for Symposia and Workshops:

The program committee is now soliciting proposals for symposia and workshops in support of the 2019 Michigan Fish and Wildlife Conference. Submissions on topics of interest to the membership of both the Michigan Chapter of the Wildlife Society and the Michigan Chapter of the American Fisheries Society will be given priority; however, all relevant proposals will be considered.

Please send proposals by June 1st 2018 to Matt Ihnken (matthew_ihnken@fws.gov) or Jan-Michael Hessenauer (hessenauerj1@michigan.gov). Be sure to include the name and affiliation of all organizers, a session title, and a brief (<500 words) session description with your submission.
